Warren A. Brown, Treasurer

TOWN OF BRENTWOOD  
BRENTWOOD, NEW HAMPSHIRE

I have examined the books and records of the Town of Brentwood and its Officers as of 31 December 1987. The examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as considered necessary in the circumstances.

The Town Treasurer's Account has a balance on hand as of 31 December 1987 of Five Hundred Seventy-Nine Thousand, Four Hundred Nineteen Dollars and Forty-Two Cents (\$579,419.42).

In my opinion, the cash position above fairly and accurately represents the financial position of the Town of Brentwood as of 31 December 1987.

Respectfully submitted

## MARY E. BARTLETT MEMORIAL LIBRARY

1987 PROVED TO BE A TRANSITION YEAR FOR THE LIBRARY. WE WERE DEEPLY SADDENED BY THE DEATH OF OUR LIBRARIAN AND DEAR FRIEND, DIANE MCCAIN. DURING THIS DIFFICULT TIME, GRACE WOOD, OUR ASSISTANT LIBRARIAN, ASSUMED ALL LIBRARY RESPONSIBILITIES. THE DIANE MCCAIN CHILDREN'S FUND HAS ENABLED US TO PURCHASE A GREAT NUMBER OF NEW CHILDRENS' BOOKS. THIS FUND WAS ESTABLISHED BY DIANE'S FAMILY.

CHANGES ARE ALSO IN STORE FOR OUR BUILDING. AFTER SEVERAL YEARS OF FUND-RAISING BY THE FRIENDS OF THE LIBRARY AND THE GEORGE BEYEA FUND WE NOW HAVE SUFFICIENT FUNDS TO BEGIN CONSTRUCTION. THE FORMATION OF A BUILDING COMMITTEE AND THE GENEROUS OFFERS OF TIME AND MATERIALS HAVE GENERATED MUCH ENTHUSIASM FOR THIS PROJECT. WE ARE CONFIDENT THAT THE COOPERATIVE SPIRIT OF OUR TOWN WILL CARRY THIS PROJECT TO FRUITION.

SEVERAL CHANGES HAVE OCCURRED IN LIBRARY PERSONNEL. MARILYN MOREHEAD ASSUMED THE POSITION OF LIBRARIAN IN JULY. HER VACATED TRUSTEE POSITION WAS FILLED BY KAREN VEINOTTE. THE FRIENDS OF THE LIBRARY ELECTED THREE NEW OFFICERS, PAM FREDERICK AS PRESIDENT, JOYCE MILLER AS SECRETARY AND MARILYN SCHAEFFER AS TREASURER. FRIENDS OF THE LIBRARY REPORT THAT THE MEMBERSHIP HAS GROWN SIGNIFICANTLY.

THE LIBRARY HAS BEEN FORTUNATE TO RECEIVE DONATIONS OF TIME, MONEY, MAGAZINES AND BOOKS. THE MCCAIN FAMILY DONATED TABLES AND CHAIRS IN HONOR OF DIANE BESIDES ESTABLISHING THE DIANE MCCAIN CHILDREN'S FUND. IRENE AND BRIAN MCCAIN STARTED A SPECIAL FUND WITHIN THAT FUND IN THE MEMORY OF THEIR SON, "B.J. MCCAIN". MONEY HAS BEEN DONATED IN MEMORY OF W. HUBERT "BILL" POTTLE. IT IS THOUGHTFUL AND GENEROUS OF FAMILY TO ESTABLISH SUCH FUNDS DURING SUCH TRYING TIMES. WE ALSO WANT TO THANK DR. MARK REINER FOR DONATING HIS SALARY AS TOWN HEALTH OFFICER TO THE LIBRARY. JASON GALLANT, OF THE BRENTWOOD BOY SCOUTS, AND BUD WOOD'S 4H CLUB WORKED ON THE LIBRARY GROUNDS. WE ALSO WANT TO THANK LOIS BURN AND MIRIAM DODGE FOR BOOKS AND DOROTHY COVEY FOR MAGAZINES. LESLIE WEBB DONATES MUCH TIME DELIVERING BOOKS TO THE COUNTY HOME. OF COURSE GRACE WOOD, OUR ASSISTANT LIBRARIAN, SHOULD BE RECOGNIZED FOR VOLUNTEER TIME AND EFFORT.

THE ENTHUSIASM AND COMMITMENT OF MANY RESIDENTS HAVE CATAPULTED CIRCULATION FIGURES. OUR EVER-GROWING COLLECTION HAS ATTRACTED MORE PATRONS TO THE LIBRARY. YOUR LIBRARY WILL CONTINUE TO OFFER MORE SERVICES AND STRIVE TO REFLECT YOUR INTERESTS IN OUR COLLECTION OF BOOKS, AUDIO AND VIDEO TAPES, MAGAZINES AND REFERENCE MATERIALS. PLEASE TAKE ADVANTAGE OF ALL THAT YOUR LIBRARY HAS TO OFFER.

SUBMITTED BY THE LIBRARY TRUSTEES.

## REPORT OF THE FIRE DEPARTMENT

THIS YEAR THE FIRE DEPARTMENT RESPONDED TO 94 CALLS, WHICH IS DOWN FROM LAST YEAR. THIS YEAR THE TOWN TOOK DELIVERY OF A NEW FRONT LINE PUMPER WHICH HAS REPLACED ENGINE 1 WHICH HAS BEEN SOLD.

WE AGAIN PARTICIPATED IN FIRE PREVENTION WEEK BY SENDING THE TWO NEW FIRE TRUCKS TO SWASEY CENTRAL SCHOOL FOR A DEMONSTRATION AND INSTRUCTION IN FIRE PREVENTION.

WE WOULD LIKE TO THANK THE ROCKINGHAM COUNTY SHERIFF'S DISPATCH CENTER FOR THE EXCELLENT SERVICE IT HAS PROVIDED TO OUR DEPARTMENT, AND WE WOULD LIKE TO TAKE THIS OPPORTUNITY TO EXPRESS OUR THANKS TO THE CITIZENS OF BRENTWOOD FOR ASSISTING US IN REDUCING THE NUMBER OF FIRE CALLS.

RESPECTFULLY SUBMITTED,

NORMAN J. BYRNE, CHIEF  
BRENTWOOD FIRE DEPARTMENT

## REPORT FROM THE VOLUNTEER RESCUE

1987 WAS A TYPICAL YEAR WITH THE RESCUE SQUAD WITH REGARD TO THE TYPES OF CALLS WE RESPONDED TO, ALTHOUGH THE QUANTITY OF CALLS WAS SLIGHTLY LOWER THAN 1986. WE HAD SOME NEW MEMBERS WHO COMPLETED TRAINING CLASSES IN THE SPRING AND GAINED MUCH EXPERIENCE AS THEY SERVED ACTIVELY THROUGH THE REST OF THE YEAR. UNFORTUNATELY WE LOST MEMBERS IN THE COURSE OF THE YEAR ALSO, SO MEMBER WISE WE JUST ABOUT BROKE EVEN FOR THE YEAR. WE AGAIN HELD AN INFORMATIONAL MEETING IN NOVEMBER AND HAVE SEVERAL NEW PEOPLE STARTING CLASSES AS 1988 BEGINS. WE STILL DO NOT HAVE A SUFFICIENT NUMBER OF MEMBERS TO STAFF THE SQUAD COMFORTABLY.

THE MAJOR ISSUE OF THE YEAR WAS EMERGENCY REPAIRS TO THE AMBULANCE WHICH WERE REQUIRED TO BE MADE IN THE FALL. THE VEHICLE NOW HAS A NEW ENGINE, REBUILT TRANSMISSION, NEW COOLANT SYSTEM, NEW EXHAUST SYSTEM AND VARIOUS ODDS AND ENDS. THESE REPAIRS CAUSED THE VEHICLE TO BE OUT OF SERVICE FOR ABOUT SIX WEEKS, BUT WE WERE NEVER WITHOUT IN-TOWN COVERAGE. THE PLANS FOR 1988 CALL FOR WORK TO BE DONE ON THE EXTERIOR OF THE VEHICLE ALONG WITH THE SUSPENSION SYSTEM, SO BY THE YEAR'S END WE WILL HAVE SOMETHING THAT WILL LAST MANY YEARS FOR ABOUT 20% OF THE COST OF A REPLACEMENT VEHICLE.

THANKS THIS YEAR GO TO THE TOWN OF EPPING AND THE EPPING FIRE DEPT. FOR THE EXTENDED USE OF THEIR AMBULANCE. TO AL LAMPERT WHO COORDINATED THE REPAIR WORK ON THE AMBULANCE AND THE TOWN OFFICIALS FOR THEIR SUPPORT IN GETTING THE WORK DONE, TO THE RESIDENTS AND OTHERS WHO MADE DONATIONS TO THE SQUAD, TO MEMBERS OF THE FIRE DEPARTMENT WHO DROVE FOR US, TO THE FAMILIES OF SQUAD MEMBERS WHO PUT UP WITH THE CRAZY SCHEDULES AND INCONVENIENCES AND, OF COURSE, TO THE SQUAD MEMBERS FOR THE

VOLUNTEER RESCUE (CONT'D)

LONG HOURS OF TRAINING AND SERVING THE TOWN OF BRENTWOOD.

THOSE WHO SERVED AS SQUAD MEMBERS IN 1987 WERE: KATHY BITOMSKI, GAY FORTIER, JOE FRANCAZAK, HOLLY GILBERT, LES GOULD, RITA GUARINO, AL LAMPERT, DIANE LAMPERT, KEVIN LEMOINE, GENE NICI, LORRAINE NICI, PAULETTE ROY, ED SHERRY, DICK STROUT, GILL WILCOX, DICK WILLIAMS AND SUE WILLIAMS.

## School District Meeting

Brentwood, NH

March 23, 1987

The Brentwood School District Meeting was held at the Brentwood Fire Hall on March 23, 1987.

Moderator Bill Vahey opened the meeting at 7:40 PM.

A motion was made and duly seconded to waive the reading of the warrant. The motion was carried by a voice vote.

Article 1. A motion was made and duly seconded to table Article 1 untill after Article 10. The motion was carried by a voice vote.

Article 2. To see if the District will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) for the purpose of selecting and retaining an architectural firm to develop and prepare drawings and plans for modifications and any necessary additions to the Swasey School. A motion was made by Mary Datro and seconded by Don Milner to move the question. There was some discussion concerning what was meant by drawings and how the process would be controlled. The Article was carried by a voice vote.

Article 3. To see if the District will vote to raise and appropriate the sum of Forty-Two Thousand and Fifty-Three Dollars (\$42,053.00) for the removal and installation of ceiling tiles, insulation, lighting and associated electrical work in the second floor and cafeteria, and the purchase and installation and modification of fire doors and their associated electrical work; enabling the Swasey School to meet fire/safety code regulations. A motion was made by Don Milner and seconded by Mary Datro to move the question. Moderator Vahey advised those present that he had been handed a signed petition for a ballot vote on Articles 3, 4, 10 and any amendments there to. Bill McCain spoke concerning a letter from Oct. 1986, citing Safety Violations. He also read a letter from legal counsel advising of the legal responsibility of all Board Members and Town Officials in respect to these safety violations. Mr. McCain said he would be prepared to table this Article as it doesn't appear to be a problem in the eyes of the Fire Dept. at this time. During discussion Chief Byrne read a letter that he had just received from the State Fire Marshall stating that the removal of the tiles would correct the deficiency. Ike Cross presented information concerning the age of other area schools. He also discussed the safety of related materials. After lengthy discussion of possible short and long term alternatives, and the Budget Committees recommendation that this should wait for a Bond Issue next year, Bill McCain made a motion to table Article 3. This was seconded by Don Milner. Ballot was not necessary with a motion to table. The motion was carried by a voice vote.

Article 4. To see if the District will vote to raise and appropriate a sum not to exceed Forty-One Thousand and Five Hundred Dollars (\$41,500.00) for the purpose of furnishing and installing windows and window panels in the Swasey School. Mary Datro moved and Don Milner seconded to move the Article. During the discussion it was proposed by Ike Cross that window replacement should be part of an overall Bond Issue. Stan Anderson speaking as a member of the Building Committee, said that he is personally concerned about the windows. He fears the windows ability to withstand wind, rain or a hurricane. He suggests that if Article 4 is defeated, then the School Board should have windows safety inspected. He feels we can not risk having someone hurt. Opinions were stated pro and con. A motion was made and duly seconded to bring the Article to ballot. A voice vote carried this motion. Ballot resulted in Yes-30 votes, No- 75 votes. The Article was defeated.

Article 5. To see if the District will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to install an underground oil tank. Bill McCain moved and Don Milner seconded to move the question as read. Mr McCain relayed information from the Fire Chief indicating approval for the installation of an above ground tank. Therefore Mr McCain motioned and Don Milner seconded to table this Article. A voice vote carried this motion.

Article 6. To determine and appoint the salaries of the School Board and Truant Officer and fix compensation of any other officers or agents of the District. Mary Datro motioned and Bill McCain seconded to accept the question as read. The vote carried by a voice vote.

Article 7. To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto. Bill McCain motioned and Don Milner seconded to accept the Article as read. There was no discussion and the Article was carried by a voice vote.

Article 8. To see if the District will vote to authorize the School Board to apply for, accept and expend without further action by the School District Meeting, money from any source which becomes available during the fiscal year. Said money must be used for legal purposes for which the School District may appropriate money, requires a public hearing on the action to be taken; must not require the expenditure of other School District funds; and shall exempt from all provisions of RSA 32 monies. Mary Datro motioned and Don Milner seconded to move the question as read. After some discussion the Article was carried by a voice vote.

Article 9. To choose agents and committees in relation to any subject embraced in this warrant. Bill McCain motioned and Don Milner seconded to move the question as read. There was no discussion. A voice vote carried the Article.

Article 10. To see what sum of money the School District will vote to raise and appropriate for the support of schools, for the payment of salaries for School District Officers and Agents, and for the payment of the statutory obligations of the District. The Budget Committee recommended the sum of One Million, Five-Hundred Sixty- Four Thousand, Five Hundred Eighty- Five Dollars and eighty two cents. (\$1,564,585.82) The recommendation was moved and duly seconded from the floor. Bill McCain asked for a ruling of the moderator. Mr McCain questioned if this amount included the \$5,000.00 from Article 2 for the architect. Mr Vahey ruled yes. Budget Committee said no. Ike Cross motioned an amendment to increase this figure by \$5,000.00. It was duly seconded from the floor. Amended amount of \$1,569,585.82 was carried by a voice vote. After some discussion a motion was made and duly seconded to move on Article 10 as amended. A voice vote carried the Article.

Article 1. Don Milner motioned and Mary Datro seconded to move Article 1 of the table. A voice vote carried the motion.

Article 1. To see if the District will vote to raise and appropriate half of one percent (7,732.00) of the School District Annual Budget for emergency maintenance or repairs of the school building. If all or part of the designated funds are not used they will be returned to the town. Bill McCain motioned and Don Milner seconded to move the question. Mr McCain noted that with the amended annual budget figure one half of one percent would be \$7847.00. A motion was made and duly seconded to amend the Article to read \$7847.00. A voice vote carried the amendment. After a lengthy discussion concerning the need to set monies aside when the Budget Committee is willing to meet the need of emergency repairs. A motion was made and duly seconded to move Article 1 as amended. A voice vote defeated the Article.

School Board  
Brentwood School District  
Brentwood, New Hampshire

I have examined the Report of School District Treasurer of the Brentwood School District for the Fiscal Year 1 July 1986 to 30 June 1987, and the related books, vouchers and bank statements. The examination was made in accordance with generally accepted auditing standards.

In my opinion, the Report of School District Treasurer dated 4 August 1987 presents fairly the financial position of the Brentwood School District as of 30 June 1987. A signed copy of the Report is attached.

The following items noted during the audit require corrective action:

Two payrolls (4 and 18 June 1987) and one manifest (Number 41) were not approved for payment by two or more members of the School Board. All payrolls and vendor manifests should be approved for payment by two or more members of the School Board.

Manifest Number 6, October 1986, contained a notation that \$768.00 paid to Bill's Carpets was to be reimbursed by DesJardins. (DesJardins was the contractor employed to make repairs to the roof.) A review of available records failed to reveal that this reimbursement was made. If the reimbursement was not made, action should be taken to assure the funds are recovered.

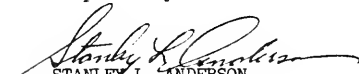

The amount of money in the checking account was excessively high during the year. The lowest daily balance was \$33,823 in November 1986 and was as high as \$162,770 in May 1987. Interest paid on this account (NOW) was 0.5%. Unless the School District is in a position to earn available higher rates on excess funds, the checking account balance should be kept at a minimum figure thus allowing the Town to retain the funds and invest them in higher yield instruments.

The windows purchased in June 1987 were categorized as "Replacement of Equipment" - Code 2542-7420. Since the windows are not equipment but are part of the plant, they should be categorized in Code 4000.

In June 1987 a Freezer in the amount of \$5,485 was purchased from Brentwood Refrigeration Service. Also, in June 1987, related electrical and structural work in the amount of \$1,268.50 was purchased from George F. Rauchas. Neither of these transactions was let out to bid as required by the School Board's policy nor were purchase orders issued. Apparently, in both cases, arrangements for the transactions were made by telephone. The budget for Fiscal Year 1 July 1986 - 30 June 1987 did not provide for these items, but the budget for

Fiscal Year 1 July 1987 - 30 June 1988 does contain a Replacement of Equipment line item in the amount of \$5,600 for walk-in freezers. The stated School Board policy of requiring bids should be followed and established procedures for the use of Purchase Orders should be adhered to. Since the approved budget for Fiscal Year 1 July 1987 - 30 June 1988 contains funds for the freezers which were acquired with prior year's surplus funds, the School Board should earmark a comparable amount in the current year to be surplus at the end of the year on 30 June 1988.

## REPORT OF THE SCHOOL ADMINISTRATORS

William J. Clancy, Superintendent  
Darrell J. Lockwood, Assistant Superintendent  
David C. Michaud, Assistant Superintendent

The school year 1987-1988 has been a year of major transition which has seen the appointment of many new administrators in SAU #16 communities. There is a new superintendent, two new assistant superintendents, a new elementary principal in Stratham, two new elementary principals in Exeter, and a new organization of the special education administration in the SAU, wherein a director has been appointed for Exeter and administrative services in the other communities have been assumed by the assistant superintendents.

In 1987-1988, the respective School Boards of SAU #16 have spent considerable time and effort developing proposals for addressing the space needs in Brentwood, East Kingston and Stratham. The Kensington school addition has been completed, and the Exeter School Board has begun the process of developing the project to address the facility needs of Exeter Area High School.

In addition, all boards have been involved in a study of the current Area Agreement, which has not been modified in the twenty-one years during which it has been in force. As a part of this study, the boards are currently studying the potential of a Cooperative Agreement to replace the current Area Agreement.

## Annual Principal's Report - 1987

The 1986-87 school year was again a year of positive growth, challenge and recognition for Swasey's staff, students and volunteers.

Fourth grade teacher, Archie Schroeder was chosen by staff, students and members of the community as Swasey's Teacher of the Year.

Our Swasey Volunteer Program coordinated by Cindy Slye and Merrill Dwyer received its sixth consecutive "Blue Ribbon Award" for its many voluntary efforts and endeavors.

Their efforts and endeavors this past year involved raising funds through the publishing of a cookbook entitled, "Swasey's Family Recipes". Proceeds from this fund raiser benefited many volunteer projects at Swasey which in turn provided numerous enrichment activities for Swasey students. The volunteers also refurbished Swasey's staff lounge and purchased outdoor volleyball equipment for Swasey's newly implemented Physical Education Curriculum.

Swasey students again celebrated "We Love to Read and Write Month" in February. This celebration culminated in May with second grader, Benjamin Speed being chosen as Swasey's primary "Young Author" for 1987 and sixth grader Ruth Ann Johnston being chosen as Swasey's intermediate "Young Author" for 1987. Ben's book is entitled, "The Terrible Day" and Ruth Ann's book is entitled, "The Stowaway".

Throughout the year Swasey students saw many of their written works published and recognized.

Our fifth and sixth graders again participated in the elementary grades Math contest sponsored by the New England Mathematics League. Swasey's top students were: Brian Noyes, Bryan Frederick, Aaron Dunham, Amy Locke, Michael McAllister, Jennifer Chapman, and Amy Hartman.

This year's Presidential Academic Fitness Awards were awarded to: Brian Noyes, Meredith Sinclair, Aaron Carrignan and Sara Boddy.

The criteria for receiving this award is as follows: students are to accumulate a B+ average throughout their elementary career, demonstrate extraordinary effort and score at or above the 80 percentile on their last nationally recognized standardized test.

Swasey staff members continue to participate in S.A.U. #16's curriculum committees to revise, develop and assess current and newly developed curricula. These written curriculums are measured yearly through Swasey's standardized testing program. Presently there are newly developed curriculums in all areas. The Language Arts Curriculum, handwriting, spelling and the writing process is being currently implemented and evaluated.

Swasey also continued its implementation of "Whole Language" and "Math Their Way" and "Math a Way of Thinking".

Whole Language is an integrative approach to teaching listening, speaking, reading and writing.

The math model is a hands on problem solving approach which actively involves students in the learning process by using math manipulatives.

Both models address the developmental learning stages of children.

Swasey also continues to experience an increase in student population across the grade levels. These continued increases resulted in the formation of a Facilities and Planning Committee to study the building's needs regarding future population growth.

Yes, the 1986-87 school year was productive and positive. It was a year in which the school, the parents and the community worked together to communicate, in order to achieve our common goal which is excellence and excellence has no limitations.

Thank you for your continued support and for valuing each child's education.
